Corporate Membership

The power of more than one in creating
adaptive organisations

Want to adapt to the pace of change? Want to become more change agile and develop your organisational change capability?

At the Change Management Institute, we understand many of the business challenges you face in today's rapidly changing marketplace. We know how important it is that you are able to create an adaptive workforce that can flex quickly. We have therefore created the opportunity for Corporates to join us as we collaborate and think forward to grow the change capabilities of the future.

CORPORATE MEMBER BENEFITS

Founded in 2005, the Change Management Institute operates as a global leader in strengthening, connecting and advancing the change management profession and broader change agenda. We are committed to assisting members develop Capability, Credibility and Connections in their pursuit of change agility.

Extend your corporate change network and global connectivity

The Change Management Institute provides a unique opportunity for your organisation to connect with other like-minded yet diverse businesses from around the world in pursuit of learning and sharing innovative organisational change practice.

Members are offered access to a minimum of two virtual senior leadership forums each year for two corporate executives from their organisation. The focus of these forums will be influenced by the participants and will include access to change experts, corporate case studies and new trends in change practice.

Our corporate membership offer is focused on change at the organisational level and enabling organisational change maturity.

Strengthen your Capability

Corporate members gain access to our competency models and Change Management Body of Knowledge. The Change Management Institute can also provide a list of Accredited Change Manager Masters who have proven change capabilities to assist your organisation if needed. Corporate members are able to pass on an attractive 10% discount to their employees and contractors who undertake any level of accreditation.

Every year Corporate Members are invited to nominate research subject areas, which the Change Management Institute then uses to commission an annual research topic exclusively for this membership sector. This enables you to learn more about the aspects of change that are pertinent to you.

Enhance your Credibility

By becoming a corporate member you gain profile in the market place as an organisation committed to good change practice and continuous learning.

You will attract the best recruits from the change profession and you can use our branding when advertising or inviting applications from change professionals.

Corporate members are able to pass on an attractive 10% discount to their employees and contractors when they join the Change Management Institute.

Employees and contractors can use membership as a foundation to gaining change certification and to strengthen networks, credibility and professional development.

OUR MISSION is to inspire members to be constantly curious, open to new practice and committed to building change capability, both individually and organisationally.

OUR MEMBERS come from all corners of the globe, and all sectors of change management. We are a global organisation with members in Australia, New Zealand, UK, Ireland, USA, Canada and Singapore. Our members, service providers and partners come from a wide variety of sectors including professionals, employers, recruiters, educators, service providers and students.
